**Disclaimer**

*Bring Yourself to Love: How Couples Can Turn Disconnection into Intimacy* is a resource for persons interested in couple relationships. Its sole claim is to provide a theoretical perspective, and through a variety of procedures, to introduce interested persons to a process of relationship growth. It is not offered as and does not constitute psychological advice. A psychologist-client relationship is not established by the use of the content of this book. You should consult a licensed professional regarding any specific issues you have.
